LIST OF TABLES

Table 1  Population Counts (’000s) for Indigenous and non-Indigenous Australians, by State and Region, 1996 ................. 40
Table 2a Apparent Year 12 Retention Rates of Indigenous and non-Indigenous Students by State 1990-1997: Males ................. 43
Table 2b Apparent Year 12 Retention Rates of Indigenous and non-Indigenous Students by State 1990-1997: Females ................. 44
Table 2c Apparent Year 12 Retention Rates of Indigenous and non-Indigenous Students by State 1990-1997: Persons ................. 45
Table 3a Apparent Year-level Retention and Attrition Rates of Indigenous and non-Indigenous Australians by State, Average 1995-1997 ................................................................. 47
Table 3b Apparent Year-level Retention and Attrition Rates of Indigenous and non-Indigenous Australians by State, Average 1997 ............................................................................. 48
Table 4a Educational Participation Rates for Indigenous and non-Indigenous 15 to 19 Year-olds by State and Region: 1991 and 1996, Males ......................................................... 54
Table 4b Educational Participation Rates for Indigenous and non-Indigenous 15 to 19 Year-olds by State and Region: 1991 and 1996, Females ......................................................... 56
Table 4c Educational Participation Rates for Indigenous and non-Indigenous 15 to 19 Year-olds by State and Region: 1991 and 1996, All Persons ........................................... 58
Table 5 Participation Rates in Vocational Education and Training for Indigenous and non-Indigenous Australians by State and Sex: 15 to 19 and 20 to 24 year-olds in 1996 ........................................................................ 66
Table 6 Year Left School by State and Region for 15 to 19 Year-old Indigenous and non-Indigenous Students Enrolled in Vocational Education and Training Courses, 1996 .......... 67
Table 7 Field of Study of Course for Indigenous and non-Indigenous Australians Enrolled in Vocational Education and Training by Age, 1996 ................................................................. 68
Table 8 Qualification of Course for Indigenous and non-Indigenous Australians Enrolled in Vocational Education and Training by Age, 1996 ........................................................................ 69
Table 9 Stream of Course for Indigenous and non-Indigenous Australians Enrolled in Vocational Education and Training by Age, 1996

Table 10 Age Participation Rates in Higher Education for Indigenous and non-Indigenous Australians by State and Sex: 15 to 19 and 20 to 24 Year-olds, 1996

Table 11 Basis for Admission to Higher Education for 15 to 19 Year-old Indigenous and non-Indigenous Students New to Higher Education, 1996

Table 12 Educational Background prior to Course Entry for 15 to 19 Year-old Indigenous and non-Indigenous Students New to Higher Education, 1996

Table 13 Level of Course in which Enrolled for 15 to 19 Year-old Indigenous and non-Indigenous Students New to Higher Education, 1996

Table 14 New to Higher Education, Commencing and Continuing: 15 to 19 Year-old Higher Education Students, 1996

Table 15a Mean Age Left School and Highest Level of Educational Attainment for Indigenous and non-Indigenous Australians by State and Region, 1991 and 1996: 20 to 24 Year-old Males

Table 15b Mean Age Left School and Highest Level of Educational Attainment for Indigenous and non-Indigenous Australians by State and Region, 1991 and 1996: 20 to 24 Year-old Females

Table 15c Mean Age Left School and Highest Level of Educational Attainment for Indigenous and non-Indigenous Australians by State and Region, 1991 and 1996: 20 to 24 Year-old Persons

Table 16 Employment, unemployment and labour force participation of 20 to 24 year-old Indigenous and non-Indigenous Australians: by State and Region, 1991 and 1996

Table 17 Participation in, and completion of, Labour Market Assistance Programs: 15 to 19 Year-old Indigenous and non-Indigenous Australians by Region, State and Sex: 1996-1997

Table 18 Outcomes from Labour Market Programs for 15 to 19 Year-old Indigenous and non-Indigenous
Australians by Region and State, 1996-97: Wage Subsidy Programs

Table 19 Outcomes from Labour Market Programs for 15 to 19 Year-old Indigenous and non-Indigenous Australians by Region and State, 1996-97: Entry-Level Training Programs

Table 20 Outcomes from Labour Market Programs for 15 to 19 Year-old Indigenous and non-Indigenous Australians by Region and State, 1996-97: Other Programs

Table 21 Outcomes from Labour Market Programs for 15 to 19 Year-old Indigenous and non-Indigenous Australians by Region and State, 1996-97: All Programs

Table 22a Unemployment Rates for Indigenous and non-Indigenous Australians by Highest Educational Qualification, State and Region, 1991 and 1996: 20 to 24 Year-old Males

Table 22b Unemployment Rates for Indigenous and non-Indigenous Australians by Highest Educational Qualification, State and Region, 1991 and 1996: 20 to 24 Year-old Females

Table 22c Unemployment Rates for Indigenous and non-Indigenous Australians by Highest Educational Qualification, State and Region, 1991 and 1996: 20 to 24 Year-old Persons

Table 23a Full-time Employment Ratios for Indigenous and non-Indigenous Australians by Highest Educational Qualification, State and Region, 1991 and 1996: 20 to 24 Year-old Males

Table 23b Full-time Employment Ratios for Indigenous and non-Indigenous Australians by Highest Educational Qualification, State and Region, 1991 and 1996: 20 to 24 Year-old Females

Table 23c Full-time Employment Ratios for Indigenous and non-Indigenous Australians by Highest Educational Qualification, State and Region, 1991 and 1996: 20 to 24 Year-old Persons
