

Formats of writing outside school

The National Literacy Trust UK surveyed 32,026 eight to 18-year-olds in the United Kingdom. They were asked: What do you write outside class at least once a month (not counting what you write for school)?

71.4% write text messages

48.6% write social networking messages

47.1% write instant messages

44.9% write emails

35.9% write notes

21.9% write tweets

25.8% write lyrics
