

Year 12 maths participation in Australia

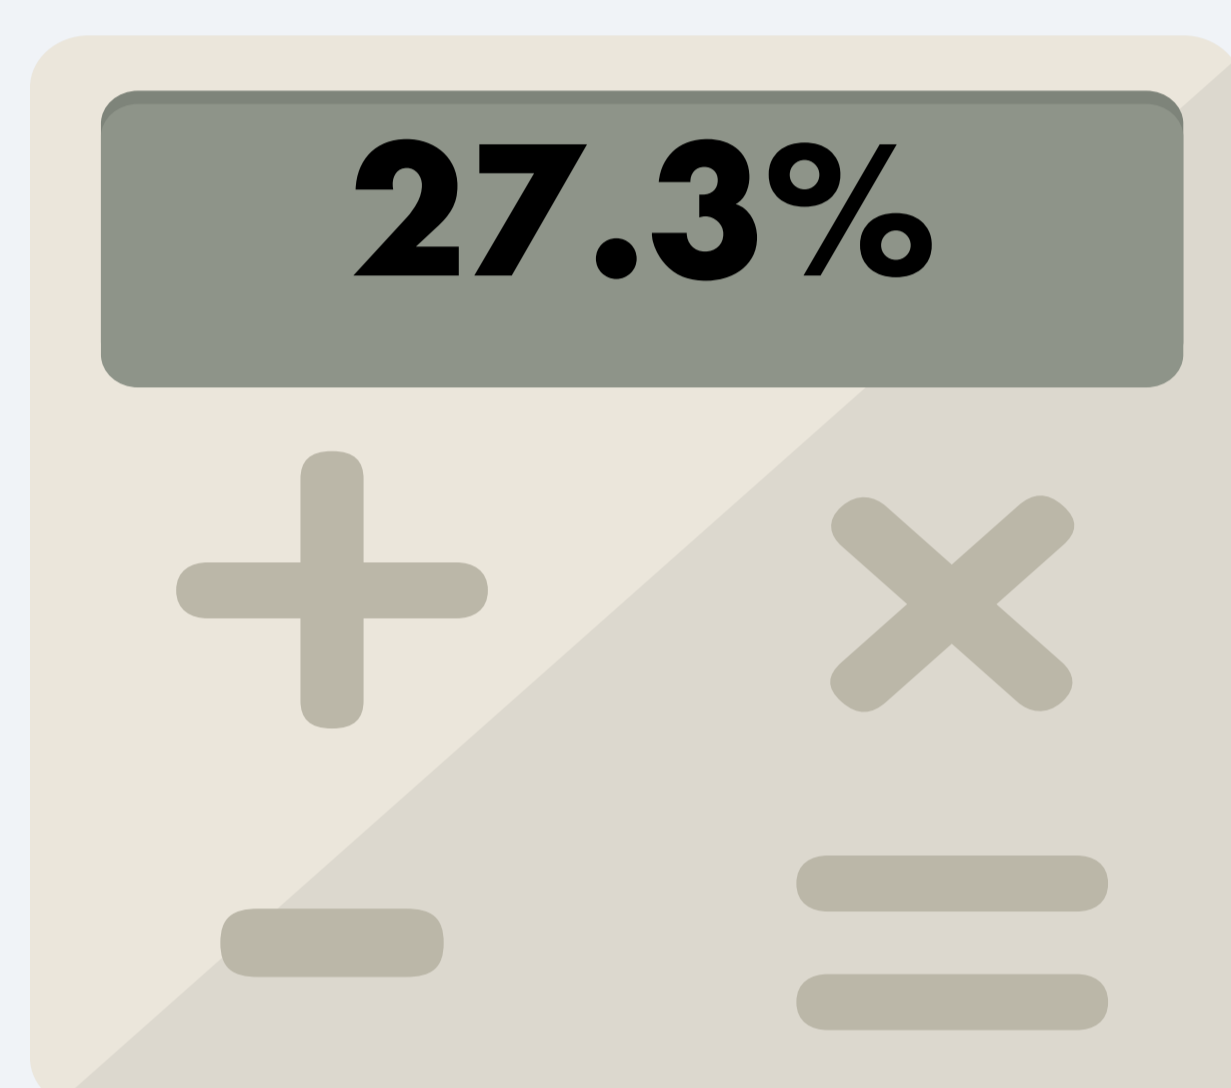

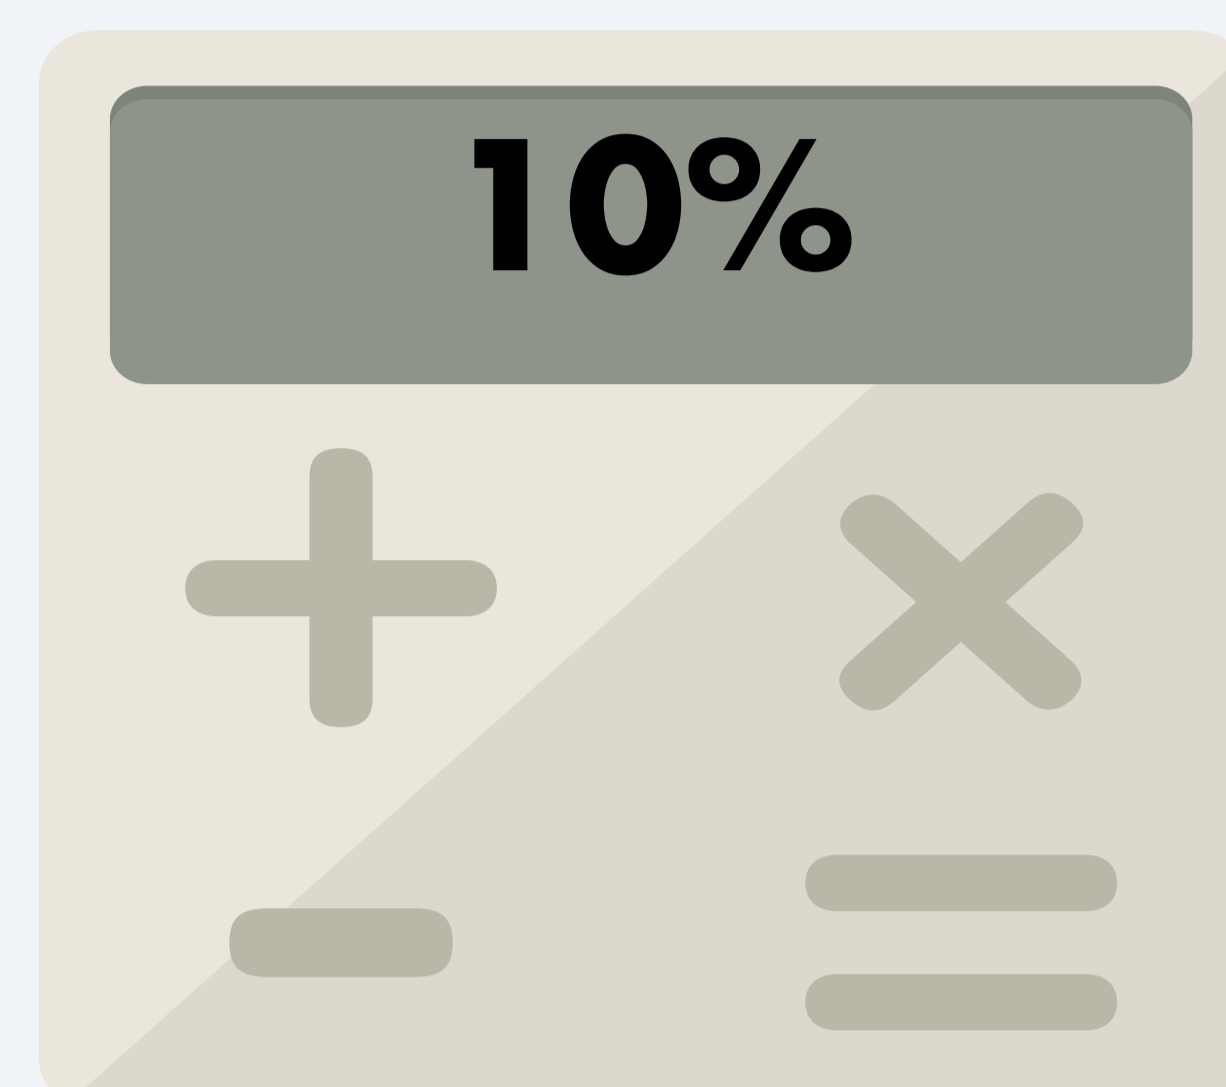

The Australian Mathematical Sciences Institute has highlighted a slide in Year 12 high-level mathematics participation over the past 20 years

PARTICIPATION RATE IN 1995

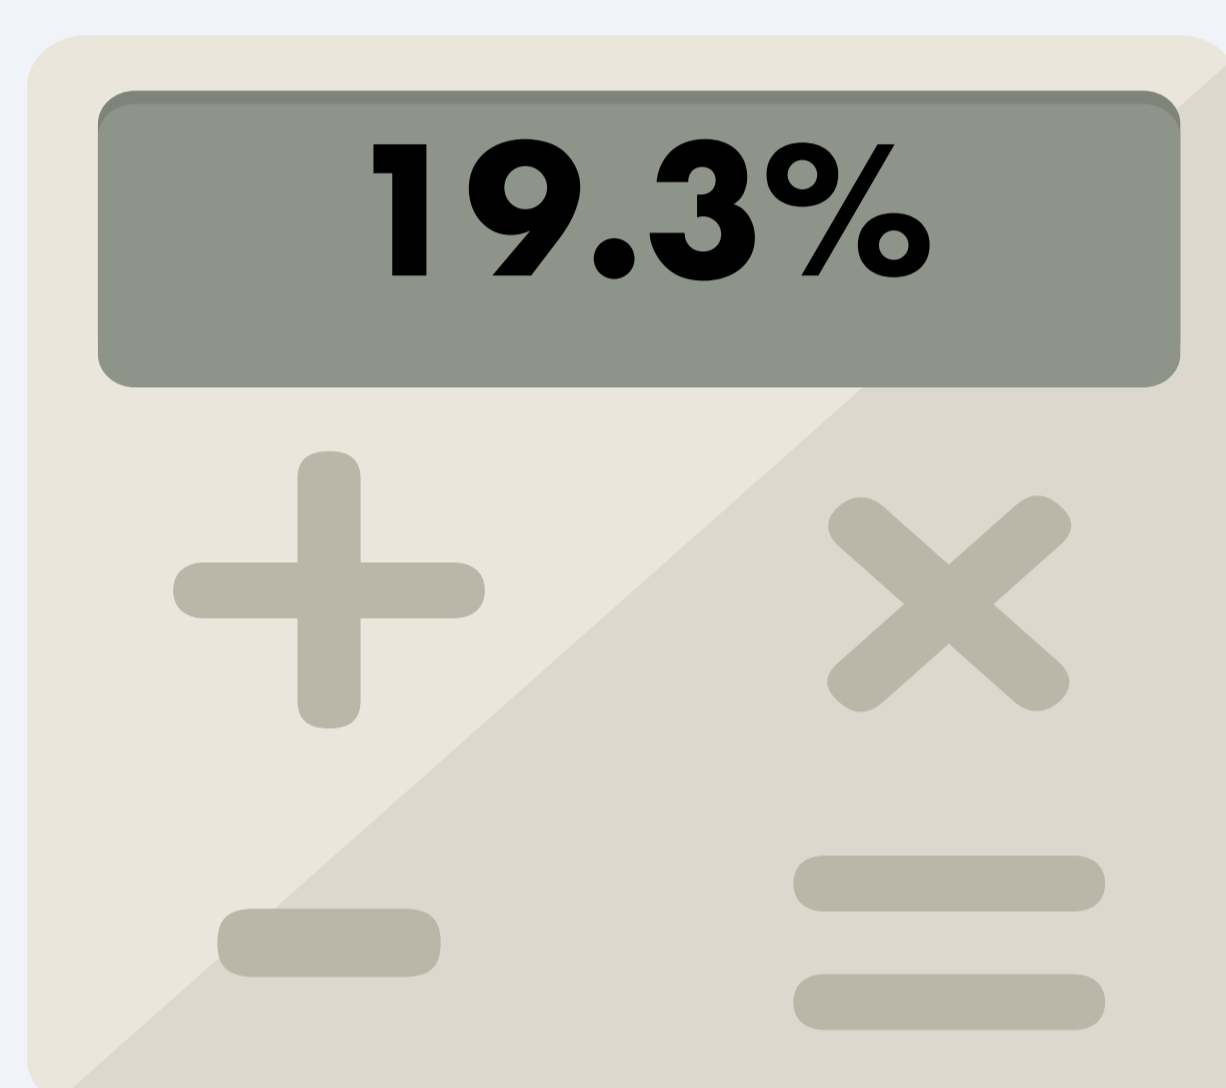

ADVANCED MATHEMATICS

PARTICIPATION RATE IN 2014

INTERMEDIATE MATHEMATICS

The report also looked at participation rates of girls and boys in 2014...

Only 6.8% of girls enrolled in advanced maths, and 18.2% in intermediate maths

While 13.4% of boys enrolled in advanced maths, and 20.6% in intermediate maths
