

School teaching as a highly regarded profession

Since 1976, a Roy Morgan annual survey has asked Australians to rate 30 professions for ethics and honesty. This year, the rating for school teachers hit an all-time high. The graph below shows the percentage of survey participants who rated school teachers as 'very high' or 'high', from 1989 to 2017.

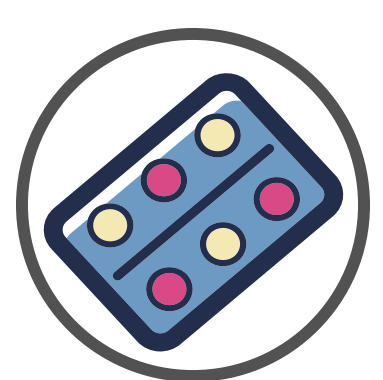

Top five ranked professions in 2017*

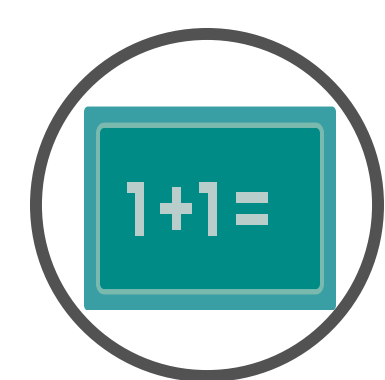

Nurses
94%

Doctors
89%

Pharmacists
84%

School teachers
81%

Engineers
80%

Bottom five professions in 2017*

Car salesmen
4%

Advertising people
5%

Real estate agents
7%

Insurance brokers
10%

Stock brokers
11%
