

# Personal concerns of young Australians

A closer look at the results from Mission Australia's National Youth Survey

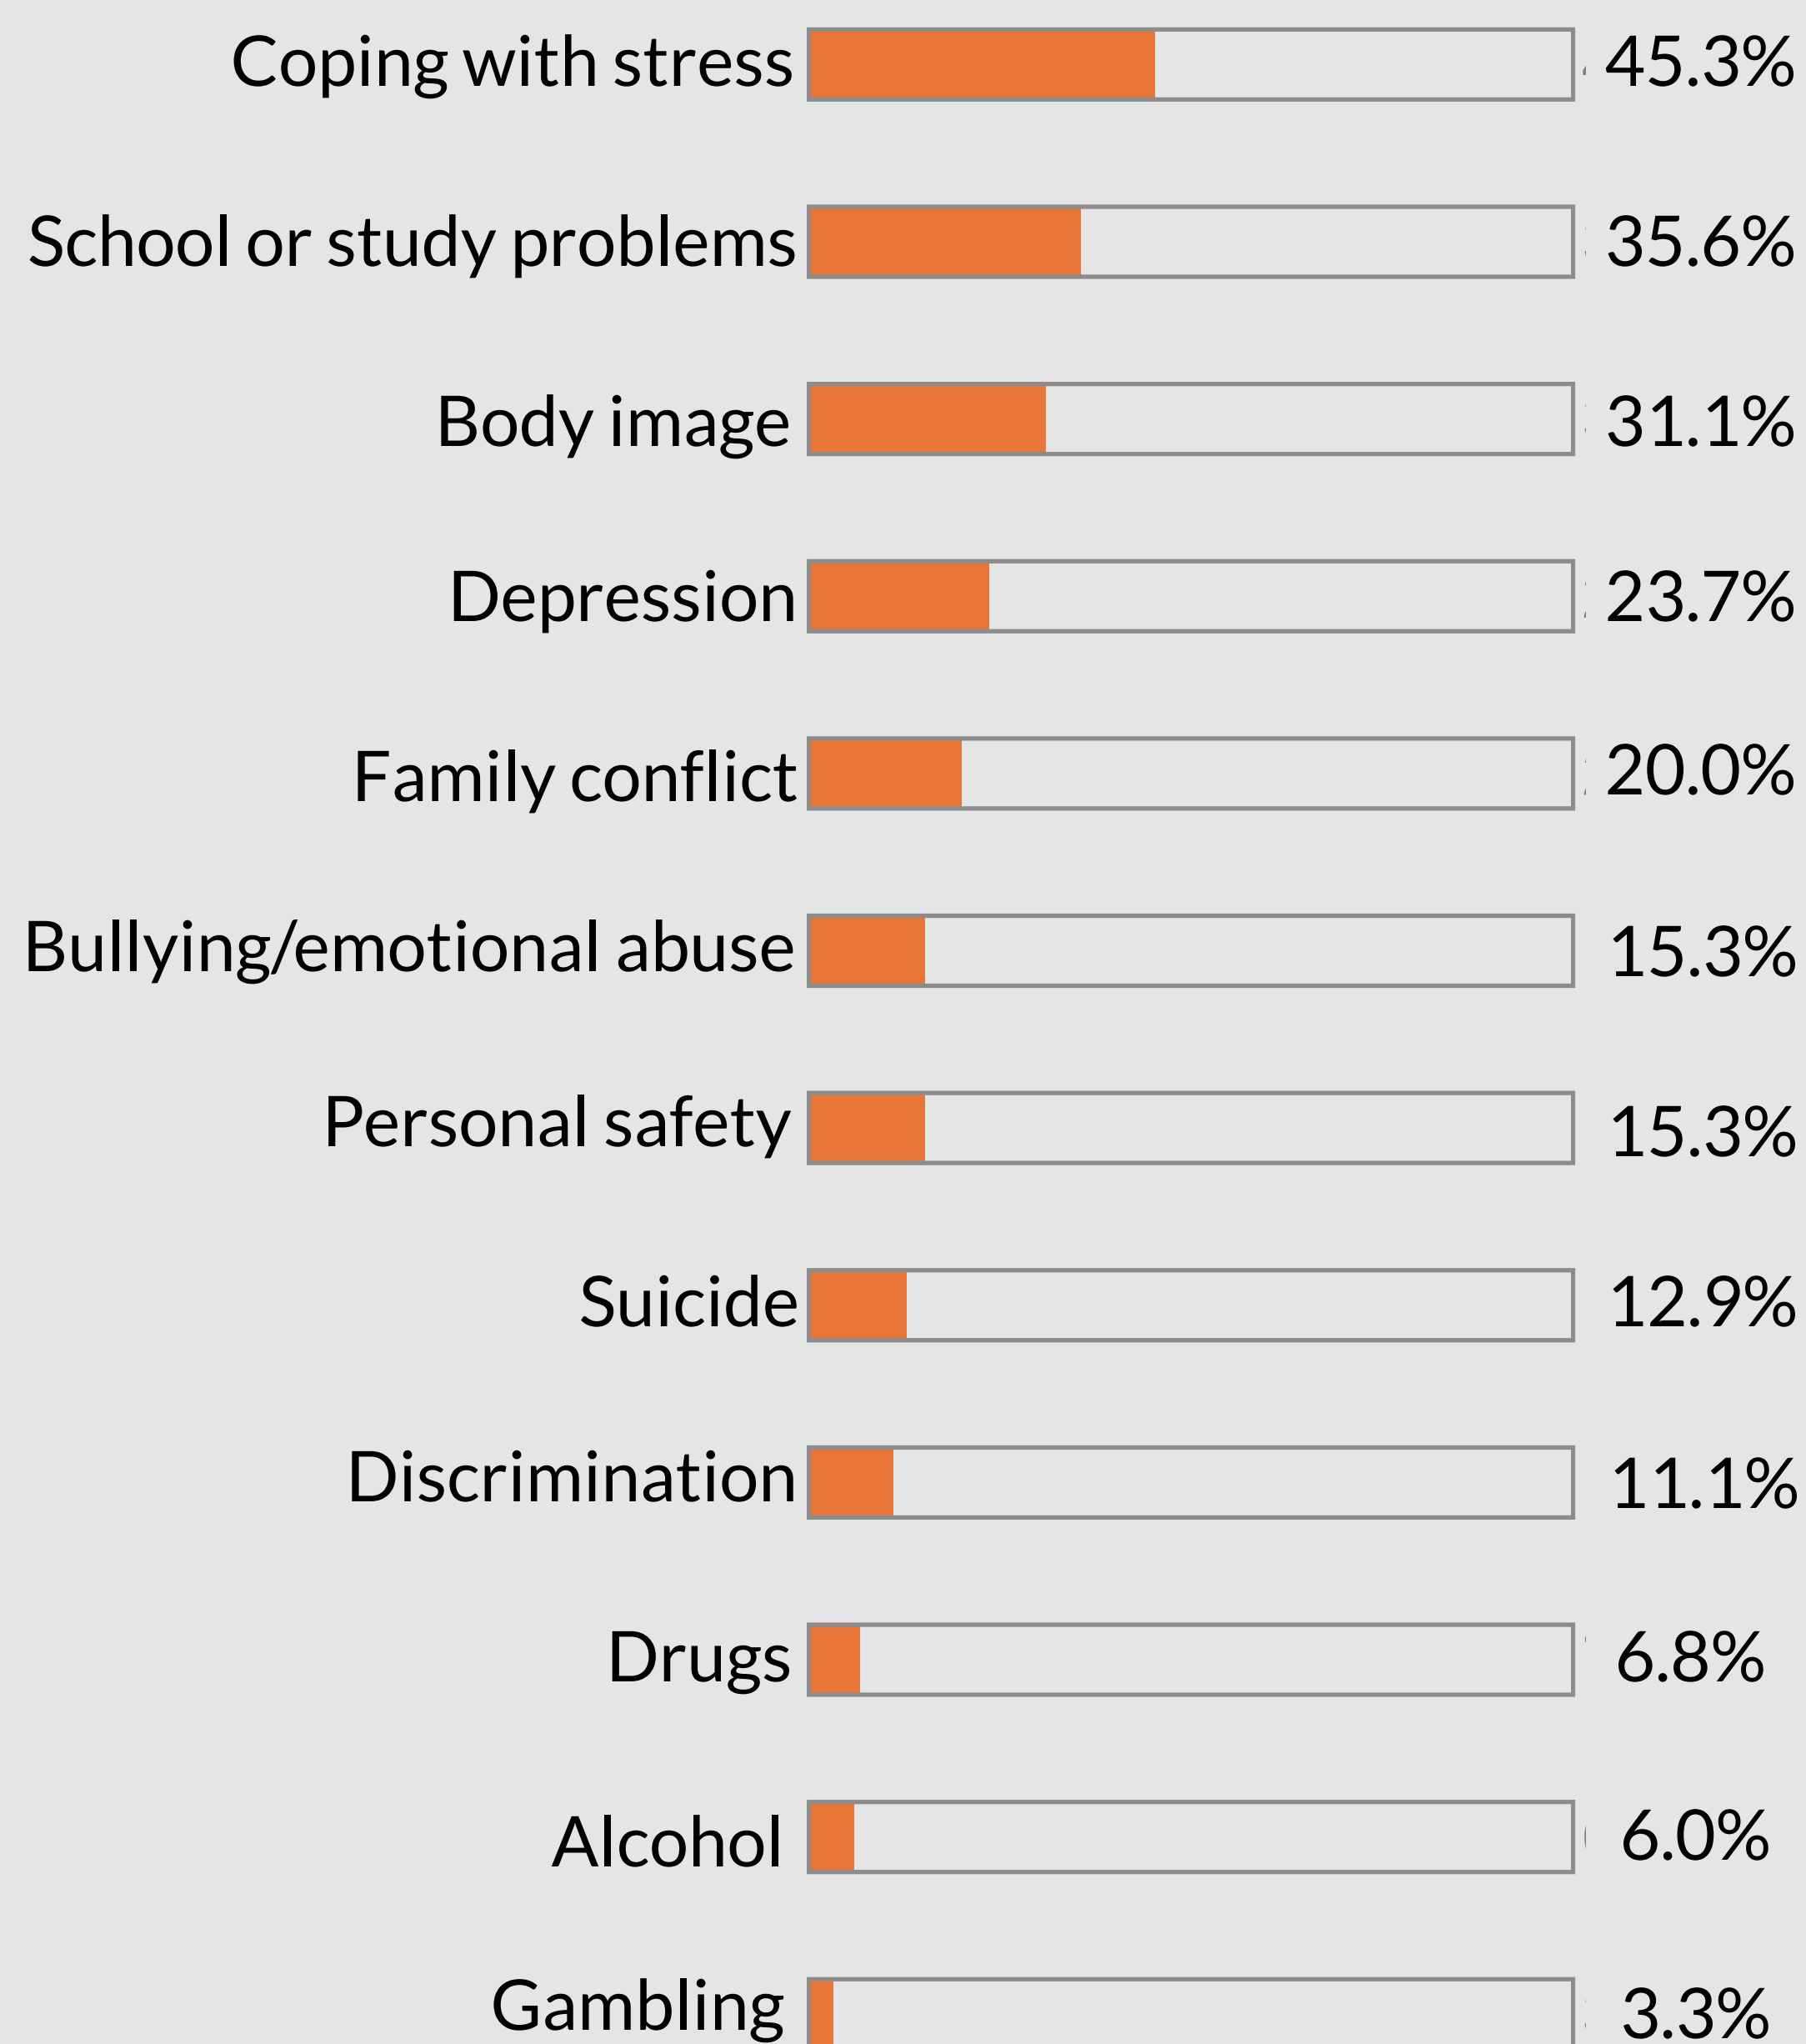

In the 2017 Youth Survey conducted by Mission Australia, respondents were asked how troubled they are by a series of topics, answering on a scale ranging from being 'extremely concerned' about an issue to 'not concerned at all'. Here are some of the survey results, which show a particular struggle with mental health.

## Who were the survey respondents?

## Areas of concern for young people

Below are the percentages of respondents who said they were 'extremely' or 'very concerned' about the issue

## Some of the ways young people seek help
