

Parents' views on the role of school education

Skills

student wellbeing

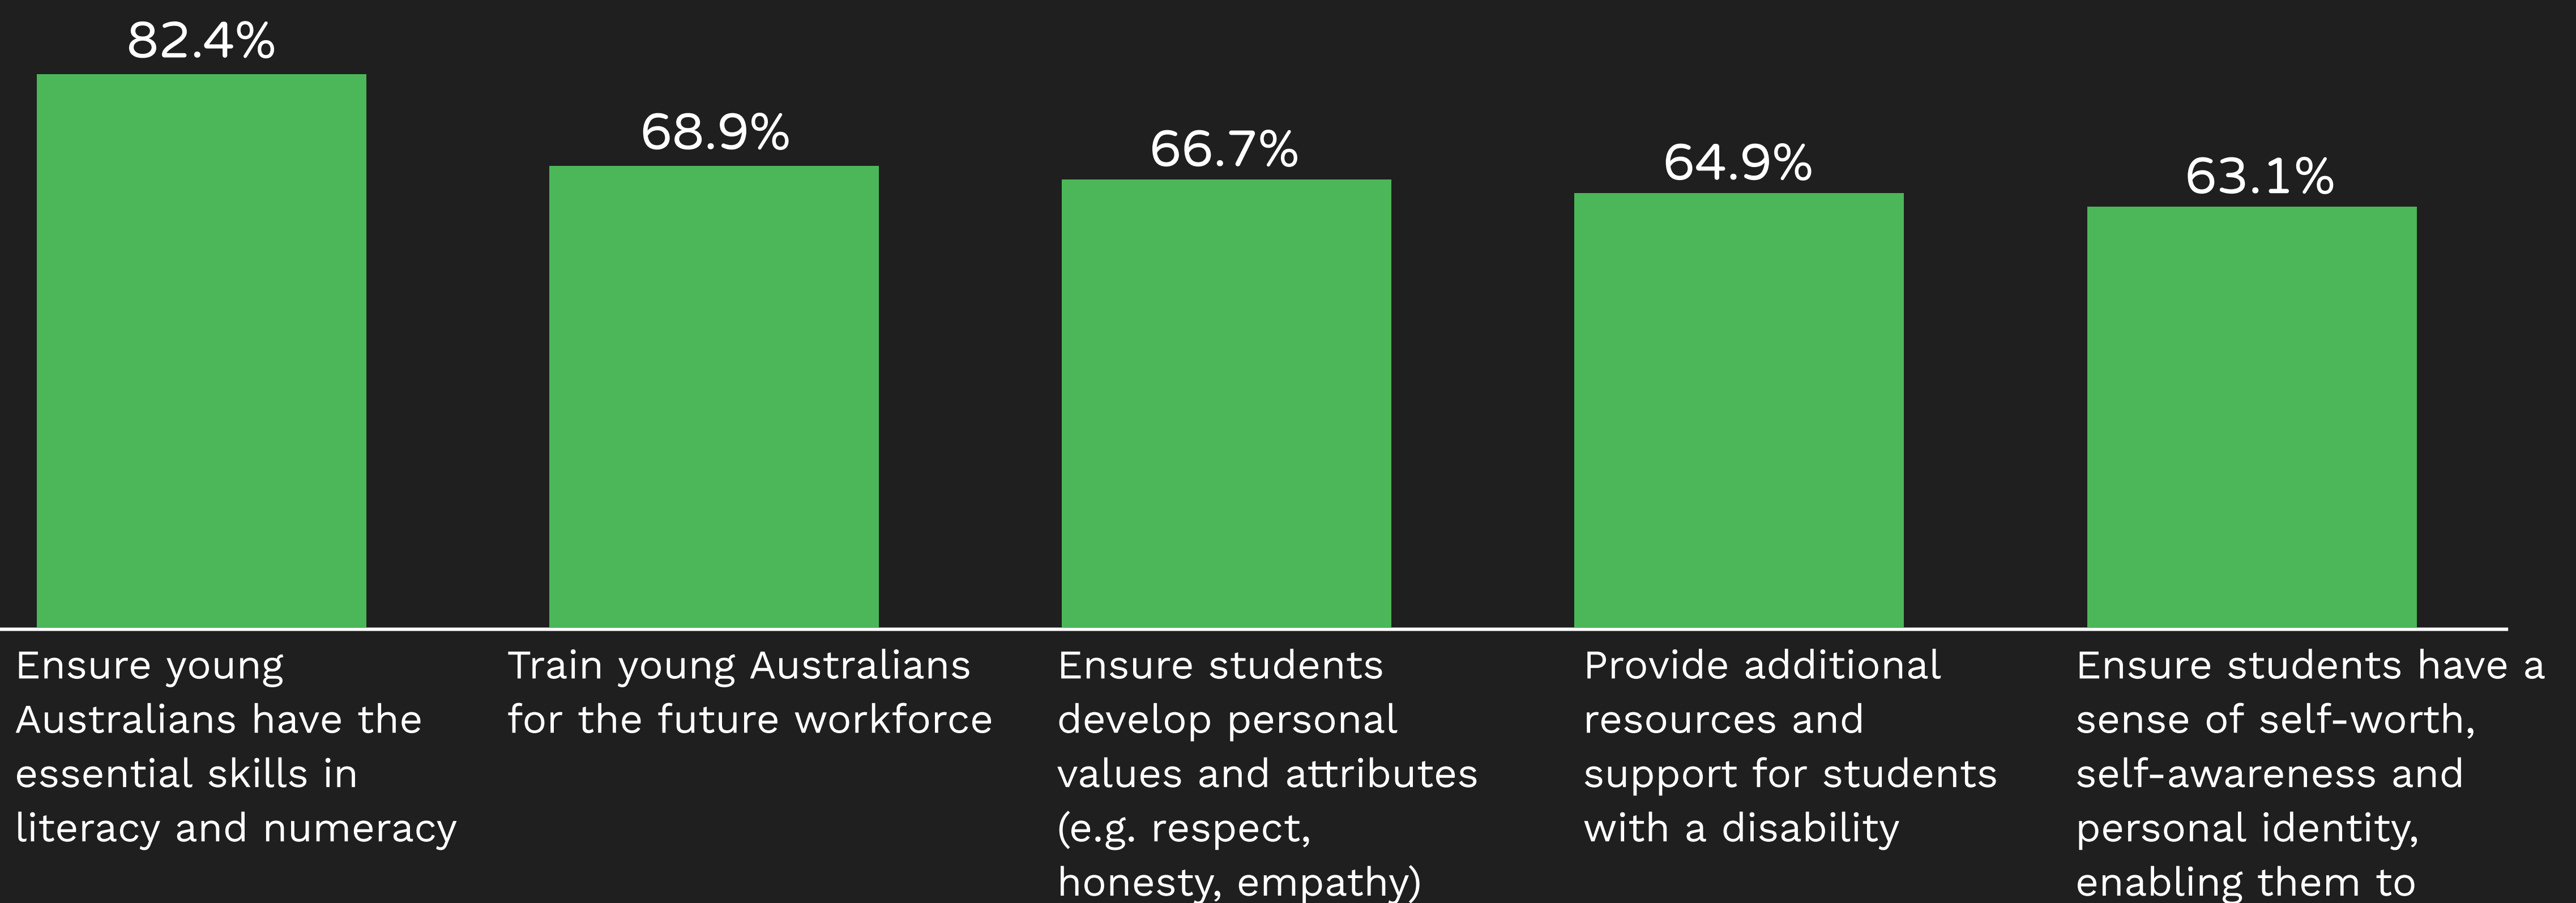

personal values

resources and support

A nationwide poll carried out by the Australian National University in November 2020, asked parents and carers for their views on what should and should not be the responsibility of schools. They responded to 15 statements with 'definitely should be', 'probably should be', 'probably should not be', or 'definitely should not be'.

What definitely should be the responsibility of schools?

Top five

*emotional, mental, cultural, spiritual and physical

Bottom five
