

“ From one teacher to another ” READ, READ, READ!

IN OUR ANNUAL TEACHER MAGAZINE READER SURVEY, WE ASK YOU TO SHARE ONE PIECE OF ADVICE WITH A FELLOW EDUCATOR. IN THIS INFOGRAPHIC, WE SHARE SOME OF THE RESPONSES WE RECEIVED ABOUT READING.

'These days we have so much to be able to read compared to the 1980s when I started teaching - it was all hit and miss. Network and find what other schools have done. ... Give staff time to do professional reading or research and share what they have found.'

'KEEP LEARNING!
FREQUENTLY UPDATE YOUR
"GENERAL KNOWLEDGE",
OF YOUR AREA AND THE
WORLD, AS I THINK IT'S
WHAT CHANGES FASTEST.'

'TAKING TIME FOR READING AND DISCUSSION OF IDEAS, LITERATURE AND THINKING. AND THEN USING THAT TO UNDERTAKE A HIGHER QUALIFICATION. IT'S NOT ABOUT THE QUALIFICATION IT'S ABOUT IMPROVING YOUR THINKING.'

'Stay current. Read daily articles from around the world.'

'READ, READ, READ AND IMPLEMENT EVIDENCE-BASED PRACTICE (FEELINGS ARE NOT ALWAYS RELIABLE) ...'

'Continuous learning has been the key determinant matrix to every fulfilling (successful) teacher. Eric Hoffer said that "In times of change, learners inherit the earth, while the learned find themselves beautifully equipped to deal with a world that no longer exists."'

WHAT WOULD YOUR PIECE OF ADVICE BE? SHARE IT WITH US AT
